Thank you for allowing us to treat your family. We would like to take this opportunity to inform you about some important office policies.

Our goal is to provide the highest quality dental care. In order to make our management system more effective, we request payment due at time of service. This allows us to provide you and your family the most unique and personalized care.

For our patients with dental insurance, we will continue to file your claims. We are not a participating provider for any insurance company. If your insurance company does not assign benefits directly to a non-participating provider (DELTA DENTAL, FEP, WELLMARK BLUEDENTAL, etc.), then we will require your payment in full at time of service. Your insurance company will then send the payment directly to you.

We also offer several financing options. Interest free payment plans of 6,12 and 18 months are available through Care Credit. This plan can also extend payment plans with a low interest rate. We accept Visa, MasterCard and Discover credit cards as well as bank debit cards.

Please call our office with any questions. We can be reached at 875-3080. We look forward to caring for your family.

Thank you for your time and consideration,

Dr. Bret Jerger and Staff
